 Regional Implementation Team (RIT) Networking Activity					
Directions: Please use following discussion questions to identify strengths and needs for yourself and/or your district/SELPA. Following discussion with your regional team, discuss and identify possible solutions RIT can support that/those need(s).					
1. Identification of appropriate interventions (Does my SELPA/District/LEA have interventions available to students? (Exploration) On a scale of 1 to 5 how strong is this area (1=low, 5=high)					
My district/SELPA has a good way of identifying and organizing available interventions.	1	2	3	4	5
My district/SELPA has a good way of sharing what interventions and/or resources are available to staff.	1	2	3	4	5
Notes:					

3. Individually, share what you're doing great with and one area you would love suggestions or resources in.

Fill in the Google Sheets Document

Time: approximately 10-15 minutes

I/We am/are doing really great at...
I would love if others have and could share suggestions, resources and/or ideas for...

4. As a team, choose one area to focus on this year. Where can the team support each other? Who has resources that match areas of need for team members? Identify how resources, materials, supports will be shared (email, phone conference, etc.)

Time: approximately 20 minutes
